

A registration form interface displayed within a browser window. The browser's address bar shows the URL `https://www.undefined.com/registro`. The form itself has a light blue background and contains four input fields, each with an asterisk indicating it is required: "Usuario:\*", "Correo:\*", "Contraseña:\*", and "Confirmar contraseña:\*". Below these fields is a blue button labeled "CREAR USUARIO".

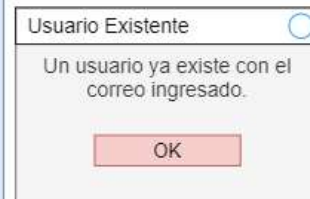

A dialog box titled "Datos Erroneos" with a close button in the top right corner. The message inside reads: "Los campos Correo y Contraseña son obligatorios." Below the message is a red "OK" button.

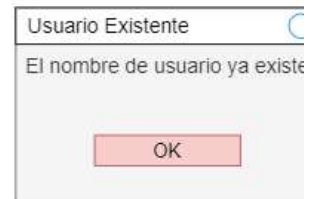

A dialog box titled "Contraseña Insegura" with a close button in the top right corner. The message inside reads: "La contraseña debe tener entre x y y caracteres mínimo un carácter especial, un número y una letra en mayúscula." Below the message is a red "OK" button.

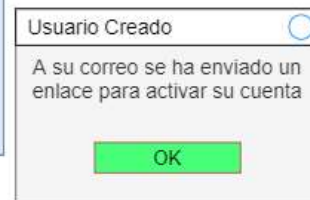

A dialog box titled "Contraseña Insegura" with a close button in the top right corner. The message inside reads: "Las contraseñas no coinciden." Below the message is a red "OK" button.

A dialog box titled "Usuario Existente" with a close button in the top right corner. The message inside reads: "Un usuario ya existe con el correo ingresado." Below the message is a red "OK" button.

A dialog box titled "Usuario Existente" with a close button in the top right corner. The message inside reads: "El nombre de usuario ya existe." Below the message is a red "OK" button.

A dialog box titled "Usuario Creado" with a close button in the top right corner. The message inside reads: "A su correo se ha enviado un enlace para activar su cuenta." Below the message is a green "OK" button.
